Senate Resolution 1043

By: Senators Hill of the 32nd, Johnson of the 1st, Thomas of the 2nd, Pearson of the 51st and Mullis of the 53rd

## A RESOLUTION

- 1 Expressing support for the Port of Savannah; and for other purposes.
- 2 WHEREAS, as one of the primary forces helping to drive one of the nation's fastest growing
- 3 economies, the success of Port of Savannah is testimony to the Georgia Ports Authority's
- 4 trusted relationship as a strategic partner in our customers' logistics pipeline and site
- 5 selection process; and
- 6 WHEREAS, from manufacturing to large scale retail import distribution centers, Georgia is
- 7 riding a wave of success in attracting business and expanding trade opportunities that have
- 8 a direct impact on companies and communities across 159 counties; and
- 9 WHEREAS, beyond traditional services offered to the port industry, the Georgia Ports
- 10 Authority and the Port of Savannah maintain an economic development department that
- provides an array of services with a common objective to grow business via Georgia's ports
- while at the same time further stimulating economic growth in every corner of the state; and
- 13 WHEREAS, whether the goal is attracting new companies to Georgia, promoting a vast
- 14 inventory of site options for port-related business, assisting with tax incentives, expanding
- 15 existing business, assisting with export and import opportunities, or applying a vast
- 16 knowledge of international trade and transportation to meet the needs of its customers, the
- 17 Port of Savannah is creating opportunities for customers and Georgians alike; and
- WHEREAS, together with the state's "pro-port, pro-business" philosophy, the key to the
- 19 Georgia Ports Authority's ongoing success is its proven ability to think outside the gates and
- 20 beyond the berth; and
- 21 WHEREAS, the Port of Savannah has assisted hundreds of companies in and around
- Georgia's ports to gain access to 70 percent of the U.S. population; and

1 WHEREAS, in recent years, the Georgia Ports Authority has entered into partnerships with

- 2 selected ports around the world, including the ports of Shanghai, China; Shimizu, Japan;
- 3 Sydney, Australia; and the Panama Canal Authority; and
- 4 WHEREAS, port partnerships are one tool that the Port of Savannah uses to reach out to its
- 5 customers and provides access to that port's hinterland, such as Shanghai's rapidly growing
- 6 Yangtze River region; and
- 7 WHEREAS, the partnership with the Shanghai International Port Group was signed in
- 8 Savannah on October 11, 2005, enabling both ports to jointly promote all-water shipping
- 9 routes between Shanghai and Savannah and to improve services for their customers as well
- 10 as enabling both ports to share information and expertise in the areas of marketing,
- 11 information technology, engineering, and operations; and
- 12 WHEREAS, on November 9, 1983, representatives of the Port of Savannah and the Port of
- 13 Shimizu, located in Shimizu City, Japan, signed a proclamation to promote the growth and
- 14 development of the respective ports through the exchanging of information related to port
- 15 management and administration; and
- 16 WHEREAS, on March 12, 1996, the Georgia Ports Authority and the Sydney Ports
- 17 Corporation formed a partnership to promote friendship and increase trade between the ports
- 18 of Georgia and Sydney; and
- 19 WHEREAS, on June 20, 2003, the Panama Canal Authority and the Georgia Ports Authority
- 20 signed an agreement to allow both agencies to jointly promote all-weather shipping routes
- 21 between Asia and the Port of Savannah; and
- WHEREAS, China is a top destination for Georgia exports, totaling over \$979 million with
- 23 top exports, including paper, food products, minerals, ore, nonmetallic mineral products,
- 24 forestry products, textiles, and textile mill products; and
- 25 WHEREAS, Georgia imports over \$8.2 billion from China through the Savannah Customs
- 26 district with top imports including industrial and electrical machinery, furniture, toys, games,
- iron and steel products, and plastics; and
- 28 WHEREAS, two-way trade to and from China flowing through Georgia's ports of Atlanta,
- 29 Brunswick, and Savannah total over \$12 billion, ranking Georgia as the sixth largest port in

1 the United States for imports and exports with China and the second largest port on the East

- 2 Coast; and
- 3 WHEREAS, Savannah ranks sixth among United States container ports in Asian imports and
- 4 ranks second among U.S. East Coast ports in imports from China with 65 percent of all Asian
- 5 based cargo transiting into the U.S. South Atlantic through Savannah; and
- 6 WHEREAS, Georgia's deepwater ports impact over 286,000 employees throughout the state
- 7 and account for \$24.8 billion in gross state product, which is 6 percent of Georgia's total
- 8 gross state product, and contribute approximately \$3.5 billion in federal tax receipts annually;
- 9 and
- 10 WHEREAS, these impacts risk being lost if the Port of Savannah is not deepened to
- 11 accommodate the larger, deep-draft container ships of today and those that are on the
- 12 immediate horizon; and
- 13 WHEREAS, as the second largest port on the East Coast and the fastest growing in the
- 14 nation, Savannah is responsible for moving over 16 percent of the East Coast's overseas
- 15 container cargo; and
- 16 WHEREAS, the Port of Savannah serves the entire United States and not just Georgia with
- more than 20,957 companies headquartered throughout all 50 states utilizing the Georgia
- 18 Ports Authority facilities in Savannah; and
- 19 WHEREAS, by 2014, the Panama Canal Authority will complete the deepening and
- 20 widening of its infrastructure and will open up the East Coast to significantly deeper draft
- 21 vessels increasing efficiencies and reducing costs and emissions for Georgia shippers, and
- 22 the Savannah Harbor Expansion Project is on schedule to be completed prior to the
- 23 expansion of the Panama Canal; and
- 24 WHEREAS, a deeper channel in Savannah will be a benefit for all United States businesses;
- 25 and
- 26 WHEREAS, indications are that the final cost-to-benefit ratio for the Savannah Harbor
- 27 Expansion Project, which is due by early 2008, will prove it to be significantly beneficial to
- the United States.

1 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that the members of this body

- 2 hereby recognize the importance of the Port of Savannah to economic development and the
- 3 creation of jobs throughout both Georgia and the Southeast.
- 4 BE IT FURTHER RESOLVED that the members of this body urge President George W.
- 5 Bush to support the expansion project at Savannah which includes deepening the harbor from
- 6 its current 42 feet to 48 feet to allow for larger cargo ships to dock there.
- 7 BE IT FURTHER RESOLVED that although the members of this body appreciate President
- 8 Georgia W. Bush's decision to provide \$700,000.00 for planning and design work for this
- 9 project, this body urges in the strongest terms possible that he include an appropriate amount
- 10 of appropriations for the construction projects associated with the expansion.
- 11 BE IT FURTHER RESOLVED that the members of this body congratulate the work of the
- 12 Georgia congressional delegation on the Savannah expansion project and recognize their
- 13 efforts on behalf of Georgia and encourage them to work without pause on this effort.
- 14 BE IT FURTHER RESOLVED that the Secretary of the Senate is authorized and directed
- 15 to transmit an appropriate copy of this resolution to President George W. Bush and Secretary
- 16 of Transportation Mary Peters.
